LUXURITE  
EXPAND YOUR VISION

## LUXURITE WATERPROOF TV

LUXURITE, creators of the new-age TV, are experts in research, development, sales and manufacture of superior quality Audio and Video Appliances. Bathroom TV/waterproof TV is one of Luxurite main products area. We have been acknowledged as one of the leading players in the high-quality bathroom/waterproof TV production industry. Luxurite has introduced Legend, Elegant, Diamond series bathroom/waterproof TV by now.

Luxurite waterproof TV has passed Ip65 certificate, mirror finish panel make it like a real mirror to decorate your bathroom. The newest model is integrated Sky magic eye function which can make you enjoy your favourite real football match even in bathroom. Digital TV is another feature can make you enjoy latest TV technology including Freeview.

The waterproof TV is a new concept in LCD technology. Its waterproof design means it can be installed in any room in the house, including bathrooms and kitchens. Imaging watching your favourite TV shows whilst cooking dinner for the kids or catching up with the latest financial news whilst bathing or showering. These are all real possibilities with the Luxurite Legend, and a possibility that comes at an affordable price.
